# Hotel Booking Engine

- ✓ Multi-property search capability
- ✓ Picture based platforms
- ✓ Calendar based functionality
- ✓ 100% control over rates and inventory
- ✓ 24/7 web-based back office access,
- ✓ Over 160 currencies supported
- ✓ Multiple language functionalities
- ✓ E-mail captured for email marketing campaigns

# Global Distribution System (GDS)

- ✓ Seamless connectivity through all four GDS channels.
- ✓ Made available to travelers through Amadeus, Galileo, Sabre and Worldspan and their 500,000+ travel agents.
- ✓ Real-time rates and availability ensuring up-to-the-minute pricing in all four channels.

# GDS Audit Services

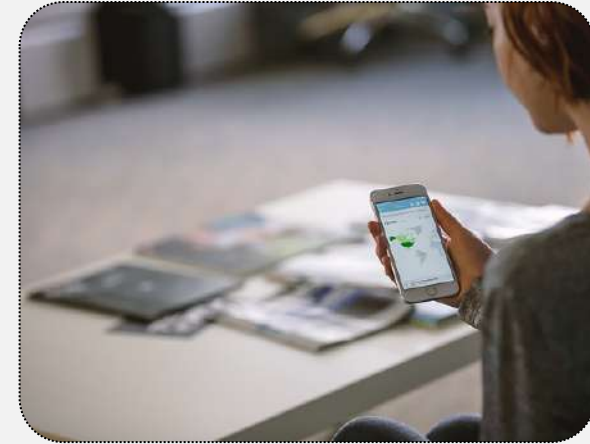

The result is a highly optimized listing that will put you one step closer to achieving your maximum potential through the GDS

We analyze your listing and pull screenshots from the GDS system itself.

We Give you recommendations on areas for improvement and share our results with you in a short easy to read report.

We spend time with you through an appointment or a phone call.

# TA Commission Processing

ResNet World is partnered with WPS (now ONYX) so you can efficiently and easily reconcile and pay all travel agent commissions.

**This makes travel agents more willing to book your property through and electronic commission settlement program.**

# Revenue Architect Services

## Pre-Live Date & Implementation Services

- ✓ Quality control audit of the CRS property load focused on key areas.
- ✓ Quality control audit focused on GDS descriptive content and rates.
- ✓ Sign-off on property prior to going live.

## On-Going Services

- ✓ Annual GDS Audit.
- ✓ Annual call with appropriate hotel staff member to discuss strategy.
- ✓ Set up property to participate in the STAR Benchmarking program.
- ✓ Monthly Production Summary Report.
- ✓ Continuous in-house monitoring of rate parity for hotel.

# RFP & Consortia Management

According to HEDNA a consortia is a rate negotiated between a hotel company and a travel agency group. Viewership of these rates in the GDS by a TA or other GDS user is restricted and the rate may be booked only after entry of either the Agents or Client authorization code.

We have partnered with Lanyon, the world's largest RFP & Consortia management provider.

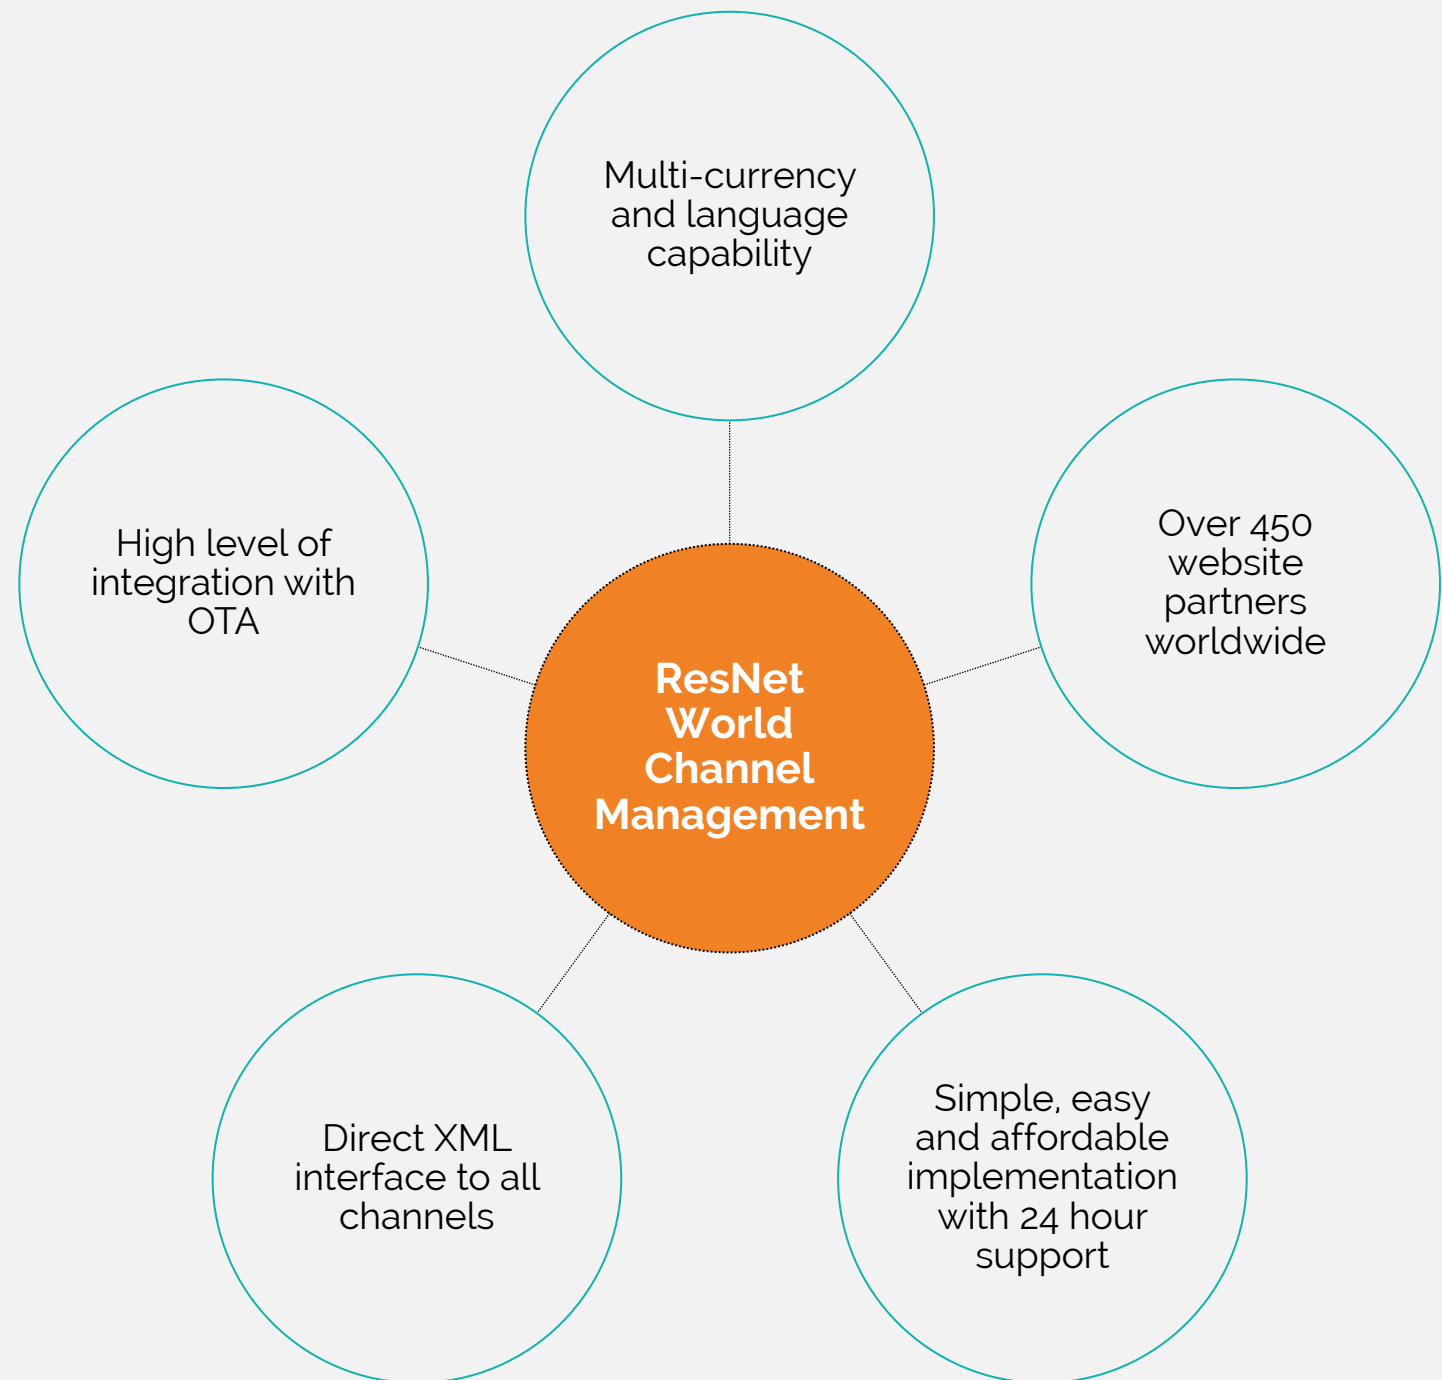

Our system automates this process saving you valuable time and resources.

You will get increased visibility, increased revenue and more marketing opportunities.

# Channel Management

Channel Management is a time saving tool for your hotel. It is a web based system utilised by hotel revenue managers to maintain rate and availability distribution across numerous third-party sales channels simultaneously

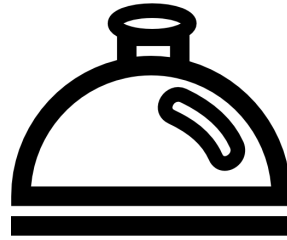

# Website Development Services

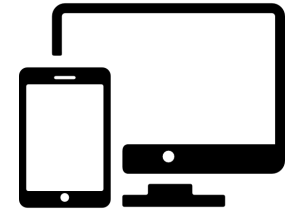

A hotel website is the most important sales and marketing tool that a hotel retains. ResNet World specialises in offering cutting edge hotel website design that is focused on driving direct bookings to the hotel.
